

Seeds of Affinity Guest Speaker Price List

Seeds of Affinity: Pathways for Women offers quality guest speakers with years of experience in talking about what they do. Seeds of Affinity were the winners of the 2015 Community Group of the Year and both co-founders, Linda Fisk and Anna Kemp are on South Australia's Honour Roll in recognition of their contribution to the community.

It might be that you want a speaker to entice people to your next AGM, community group function, a speaker to enhance your university topic, or a keynote speaker for your next conference or to compliment a professional development event. The format and length of our talks can vary to fit your organisation's needs plus we like to make time for audiences to ask questions as a group and for people to talk informally with our speakers after the session.

We acknowledge that many groups, are on a limited budget and like us, use their income to support people in need. Therefore the prices below have been calculated on a sliding scale. Prices listed below are an indication only of the cost of a speaker and are dependent on time, location and distance travelled. Prices are open to negotiation if your group has unique requirements or is a like-minded organisation.

1) Church groups, not for profit community groups etc.

Metropolitan Area: \$20 to cover the cost of petrol and the ability to sell our social enterprise products at your function, such as toiletries, baked goods and merchandise.

Outside of the Metropolitan Area: \$50 - \$100 to cover transport costs [or cost of airfare and accommodation] depending on distance, plus the ability to sell our social enterprise products such as toiletries, baked goods and merchandise.

2) Local Government, Universities and Professional Organisations.

Metropolitan Area: \$200 speaker fee, and the ability to sell our social enterprise products such as toiletries, baked goods and merchandise.

Outside of the Metropolitan Area: \$300 - \$400 speaker fee and the cost of travel [and airfare and accommodation to travel to remote areas if necessary] plus the ability to sell our social enterprise products such as toiletries, baked goods and merchandise.

3) Keynote Speaker at a conference.

In South Australia, \$500 plus cost of travel. Outside of South Australia, \$800, plus cost of travel and accommodation. In addition, an agreement to give us the ability to sell our social enterprise products such as toiletries, baked goods and merchandise and/or for the event organisers to purchase our goods to use as conference gift packs.
